# 2011 Spring Program of Guided Walks

## Join us at The Pinnacle Nature Reserve

### **SATURDAYS 17 SEPTEMBER AND 15 OCTOBER – 9am**

#### ***Wildflowers and Grasses: Third Saturday walks with Rosemary Blemings.***

Focussing on emerging wildflowers and grasses found at the reserve. Meet at the Dungowan St entrance, Hawker. 1.5-2hrs easy walk. Contact Rosemary on 6258 4724 for more information.

### **SUNDAY 9 OCTOBER – 9am to 12pm**

#### ***Community Planting Day***

Your chance to take part in the first major planting at the Pinnacle Nature Reserve since 1993! With the generous sponsorship of Spicers Paper, we'll be planting more than 200 trees, shrubs and groundcover species. Morning tea provided. Meet 8.30 – 9am, Dungowan St entrance, Hawker. Check our [website](http://fotpin.org.au) for important details or contact John Brannan on 6258 6038

### **SUNDAY 23 OCTOBER – 8.30 to 11am**

#### ***Guided Bird Walk with John Brannan***

Come for a gentle meander through the beautiful woodlands and open spaces of the Pinnacle Nature Reserve and see how many species we can spot in a morning. Meet at the Dungowan St entrance, Hawker. Bring binoculars if you have them.

### **SATURDAY 5 NOVEMBER – 10am (5 hours return approx.)**

#### ***The Great Walk: life on the river***

Pax will lead you to the Molonglo River to meet Ngunnawal Park Ranger, Adrian Brown. Pax will explore landscape connectivity between The Pinnacle and the Molonglo River corridor. Adrian will speak about Ngunnawal life beside the river and technologies used by his ancestors. Meet 10am at the Dungowan St entrance, Hawker. Please check our [website](http://fotpin.org.au) for details.

### **SUNDAY 20 NOVEMBER – 4pm**

#### ***Imaging Connection: The Pinnacle and Kama Nature Corridor***

Photographer, Andrew Trousdell will lead you in a 2 hour workshop to explore connection between The Pinnacle and Kama reserve through imagery. Suitable for beginners to advanced. Contact Heather on 6254 5979 to reserve your place and check our [website](http://fotpin.org.au) for important details.

For all walks bring a backpack with water and snacks, camera, wear suitable clothing for the expected weather, and comfortable and appropriate footwear
