2010 Spring Program of Guided Walks

Join us and hear, see and explore what's happening on The Pinnacle Nature Reserve

● **John Brannan**

member of the Canberra Ornithologists Group, will point out some of the bird activity at the reserve in Spring.

Sunday October 10, 8.30 am

Meet at the Dungowan St entrance, Hawker

● **Rosemary Blemings**

experienced presenter of guided walks in Canberra Nature Parks, will explore the diversity of species and habitats.

Sunday 17 October 9.30 am

Meet at the Dungowan St entrance, Hawker

● **Dr Don Driscoll**

Fellow, Fenner School of Environment and Society, ANU, will speak on our native grass restoration project: "Defeating the Weed Menace"

Saturday November 27 9.30 am

Meet at the De Salis St carpark, Weetangera.

All welcome. Walks are of approximately 2 hours duration and at easy strolling pace. Wear clothing suitable for the weather, sturdy footwear and hat, camera and binoculars if you wish. Bring your own drink and snack.
