

Pinnacle Guided Walks for Spring 2026

This Spring, our program of guided walks currently consists of two bird walks and a wildflower walk. The wonderful rainfall we've enjoyed over the last four months have left the reserve looking beautifully lush and green, so get out there and enjoy it by signing up for one of our guided walks.

Please note that numbers are limited for most of the events and bookings are essential.

If you'd like to join one of the events, contact us at convenor@fotpin.org.au or call 0405 331 405.

• Guided Bird Walk (1)

Pinnacle birdo John Brannan will lead a gentle stroll through the lush woodlands of The Pinnacle NR, looking at the local resident birds and the newly arrived migrants as the breeding season gets under way. Some of the walk may be off-track, so wear appropriate shoes or boots. Dress for the weather and bring your binoculars, camera or both.

When: 9.00 to 11.30 am, Sunday September 13th

Where: Reserve entrance at Dungowan St, Hawker

• Wildflower Walk

Our go-to plant people John Fitz Gerald and Nola McKeon will share their knowledge on a delightful walk through some of the reserve's loveliest areas of native wildflowers. Good rain in recent months promises an outstanding show of native wildflowers and forbs. The route of the walk will also skirt past the latest area declared as an environmental offset, and discuss the potential for future ecosystem improvement in an area that will one day be added to the reserve. Note that this walk covers 3-4 kilometres over uneven terrain and is not suited to young children or people with limited mobility.

When: 9.30 am to 12.00 pm, Sunday October 25th

Where: Reserve entrance at Dungowan St, Hawker

• Guided Bird Walk (2)

Join John Brannan on this late-season walk through The Pinnacle NR, focusing on the breeding sites for our summer migrants, but also keeping an eye out for the resident locals as they try for a second (or even third!) brood if the conditions are still suitable. Some of the walk may be off-track, so wear appropriate shoes or boots. Dress for the weather and bring your binoculars, camera or both.

When: 9.00 to 11.30 am, Sunday November 1st

Where: Reserve entrance, carpark opposite De Salis St on Springvale Drive, Weetangera
